

Adventure Star Block 1

12 inch paper pieced quilt block

This paper pieced block uses four (4) copies of the attached pattern (page 2).

To make sure your pattern pieces print accurately (that it is 6 inches across the top) please:

1. Make sure you download the PDF pattern to your desktop and do not just print from your browsers. Printing directly from your computer's browser will result in the pattern printing smaller than desired.
2. Make sure your printer is dialogue box has "print actual size" selected. You do NOT want to scale to print.
3. When you have printed your pattern, take a ruler and measure your pattern piece to make sure it is the desired size.
